From your yearbook staff:

Congratulations class of 2023! It's been fun growing up with all of you. Now, go out and make your mom proud! Working on the yearbook was one of the most fulfilling tasks during high school. We got to create a book full of history that people will look at for years. Although we had a small staff this year, our book came together in the end because of Ms. Zumpano's hard work and dedication. She is a great teacher and also a great friend. Thank you to the teachers and administration of Southern High School as well. I know you didn't always appreciate me barging in asking questions, taking students out of your class, or handing you a ton of papers, but I appreciate your cooperation through it all. Thank you for also shaping me into the person I am today and leading me in the right direction. Underclassmen, please consider taking yearbook, it's an experience you won't find anywhere else. Take a step out of your comfort zone. You'll never know if you like something until you try it. -Paige Rodeheaver, Senior Editor

Congratulations! We did it! As a senior editor of the 2023 Highlander yearbook, it is my honor to leave a heartfelt message within these pages, commemorating the culmination of our unforgettable journey together. Each photo, quote, and story within these pages is a testament to the vibrant spirit, resilience, and accomplishments of our incredible school. Over the years, we have grown as individuals, supporting and inspiring one another along the way. We have celebrated triumphs, overcome challenges, and created memories that will forever be etched in our minds. This yearbook is a time capsule of our collective experiences, a mosaic that reflects the unique tapestry of our high school years. As you turn these pages in the years to come, I hope they transport you back to those cherished moments, evoking smiles, laughter, and nostalgia. To the athletes, artists, scholars, and volunteers among us, thank you for showcasing your talents and passions, enriching our school community. To the teachers, staff, and parents who have guided us with unwavering support and dedication, we owe you a debt of gratitude. As we prepare to embark on new chapters of our lives, let this yearbook serve as a reminder of the strength, resilience, and potential that resides within each and every one of us. Embrace the future with confidence and pursue your dreams fearlessly. Finally, I want to express my deepest appreciation to the yearbook staff, parent and community photographers, and everyone who contributed their time and energy to make this publication a reality. Your hard work and commitment have truly paid off, and your efforts will forever be remembered. To the Class of 2023, I am immensely proud of each and every one of you. May your journey ahead be filled with success, happiness, and fulfillment. Keep striving for greatness, and never forget the incredible memories we've shared.

-Carly S. Friend, Senior Editor

"You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose." —Dr. Seuss

This year has been an array of ups and downs, but we managed to capture so many smiles along the way! It was a pleasure watching all the personalities bloom this year. Thank you Carly and Paige for being my fellow editors. You both have done an amazing job. Now onto the Ms. Zumpano. She definitely came out on top with this book. She amazes me every single day because I am absolutely certain her stress levels were through the roof with planning prom and the yearbook. The 2022-2023 book was my last time working on the staff but definitely a memorable one that brings a tear to my eyes. Never take your time in high school for granted because trust me you will want it back. Make memories, have fun, be kind to all, it will be over before you know it!

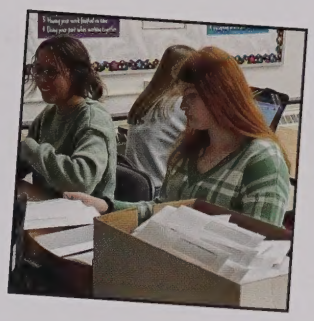

-Bayleigh Hawk, Editor

As another yearbook is completed, I must thank the many students, parents, coaches, teachers and community members for their help with pictures, information, scores, ads, and quotes. Without you this book would not be possible.

To SHS administration and teachers: Your tolerance of me and my students is very much appreciated. I know we can be annoying asking for things multiple times or interrupting classes for pictures or interviews. You are THE BEST!

Every year we make it our goal to give students a book they can look back on and remember this chapter of their life.I hope 'Not What You Expected is something you can look back on one day and smile. I am honored and proud to teach in the best school in the area and I would never want to not do anything else.

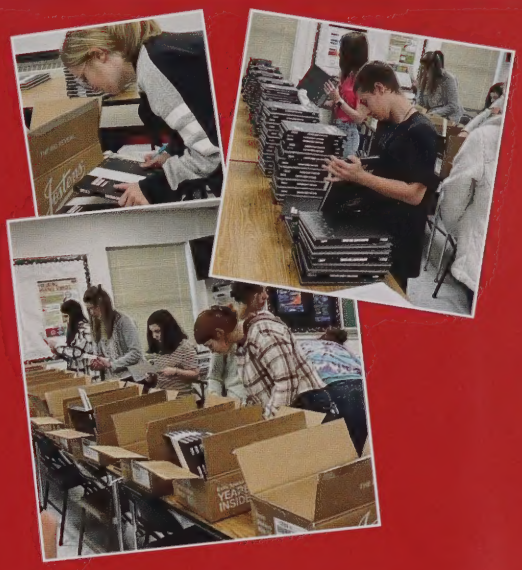

In closing, please be kind to one another for you don't know what battle God has given the other person. Trust in a bigger plan and remember sometimes what you are going through isn't always about you. Be kind to animals. They are souls too. And always, please save a life.....HAVE YOUR PET SPAYED OR NEUTERED! May God bless each one of you! I love you with all my heart! -Ms. Zumpano

One of the most exciting times for yearbook staff members is when the books are delivered. It's at this time the yearbook students can see all of their hard work selling ads, taking and finding pictures, interviewing students, designing the cover and designing and completing every single page of the book. Thank you to Mr. Powers and his auto students for unloading and hauling all 26 boxes of last year's book to Ms. Zumpano's room. Once books are checked with the order from Jostens, it's then time to open, look at the book, and start the sorting and distribution process.

Fred Reeping is our Jostens representative. He will visit in the fall to discuss finances and budgeting for the upcoming yearbook. Fred along with our plant representative, Joy Woomer, have been an invaluable resource over the years for the Southern yearbook staff.

A Night of HONORS

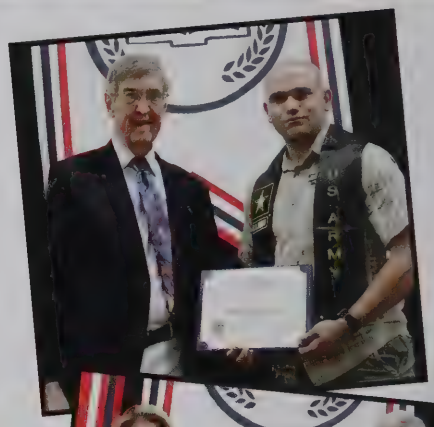

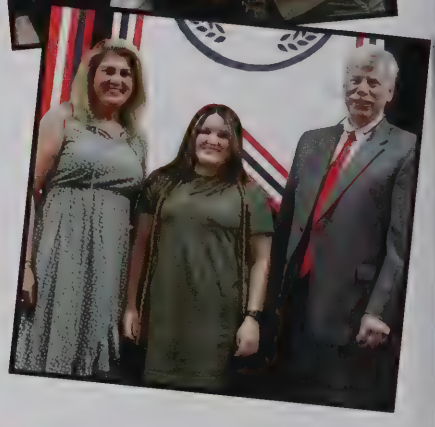

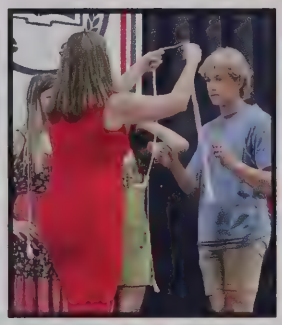

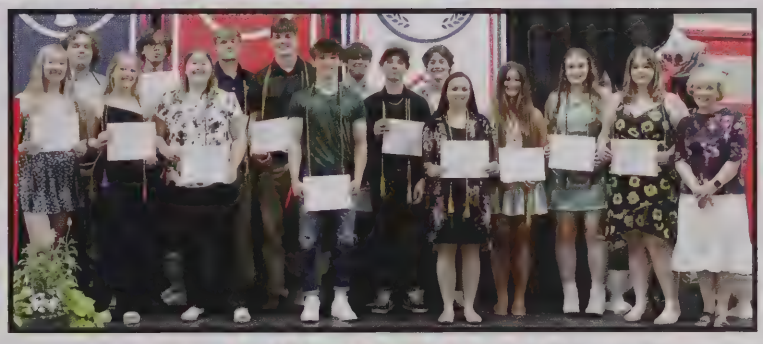

Distinction

The Thursday evening before graduation is an evening where many seniors are recognized and honored for their 13 years of hard work. Each year many community members, state elected leaders, organizations, local businesses, Southern alumni, area colleges, universities,

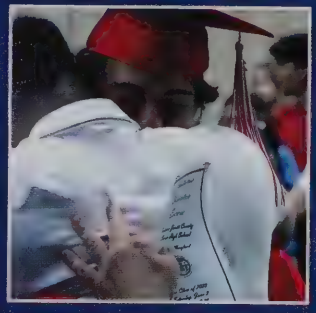

and trade schools, current teachers, school club advisors, and military branch recruiters attend and acknowledge top successful students in academic and skill areas. There were over fifty presentations this year for the class of 2023. Earlier in the year, seniors were asked to share college specific scholarship awards with the guidance office. This year's class have been awarded close to $484,404 scholarships. This amount does not include what students receive from the county scholarship program or scholarships that weren't turned into guidance. Congratulations to the senior class on a job well done. You have made Southern Garrett High School proud.

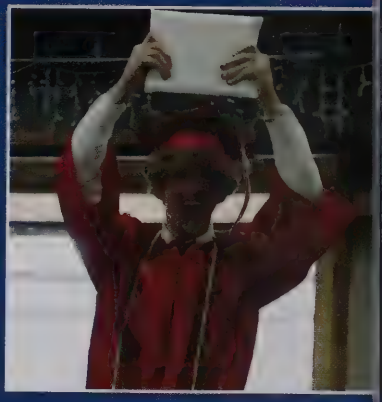

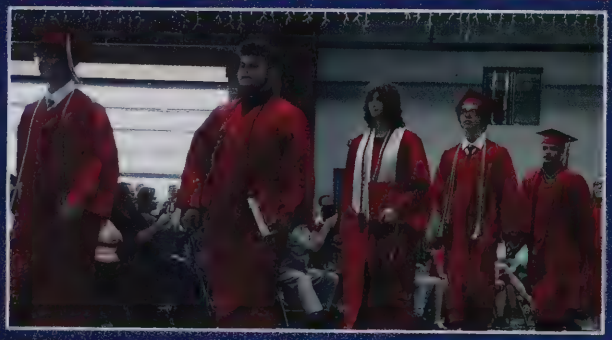

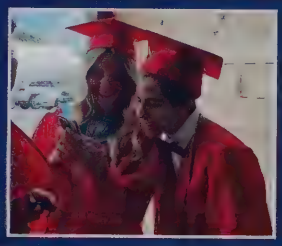

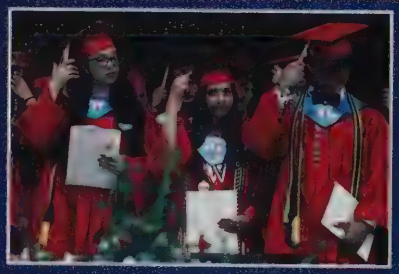

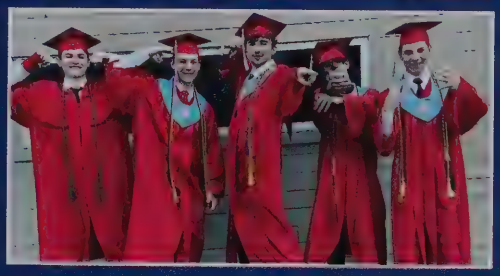

Excellence

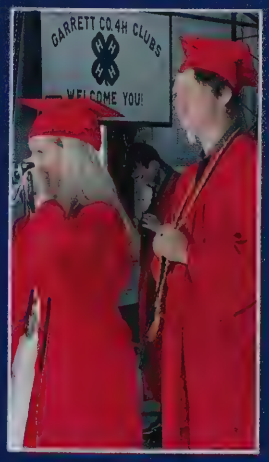

Class of 2023

From Students to Alumni within an Hour

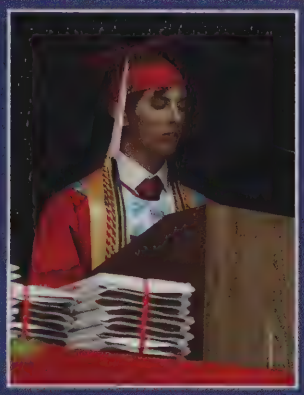

Destined to be Great!

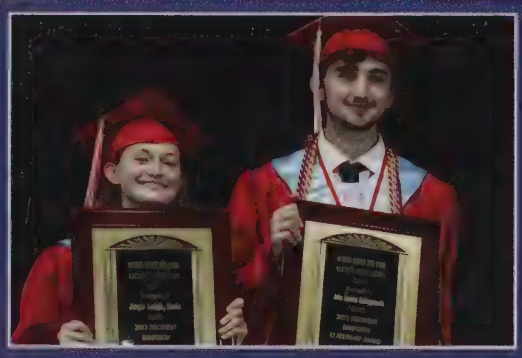

"I am honored to have shared this incredible journey with you and I hope that as we move forward, we embrace each moment with open minds. Let us resist the temptation to wish away time and instead cherish every experience. Let us appreciate the journey, for it is the journey that shapes and molds us into the individuals we are meant to be. As we leave this building with our diplomas, let us cease our wishes to fast forward time."
-Alexis Shaffer

"We each have the choice every day to change the world to whatever extent it may be. Making a smile on someone's face, finding the cure for cancer and everything in between, every impact you make changes the world. YOU can change this world, and doesn't that feel so powerful? I hope you take advantage of that power."
-Chloe Rayner

"As we embark on the next chapter of our lives, let us remember that success is not an endpoint but a lifelong journey. It is the courage to follow our passions, to take risks, and to make a difference in the lives of others. It is the ability to find happiness and fulfillment in the pursuit of our dreams, regardless of the challenges we may face."
-Landon Grady

Graduation was held at the Garrett County fairgrounds Ag Heritage Hall on Saturday, June 4, 2022 starting at 2pm.

Valedictorian was Alexis Shaffer. Salutatorian was Chloe Rayner.

Danforth Award winners were Jaryn Teets and John Hollingsworth.

Dear Mom and Dad, Thank you for all of your love and support these past 18 years. I couldn't have done it without your help. Any success I've had, has been the direct result of the work, values, and ethics you both have instilled in me at a young age. You have motivated me to always do my best at school and life. Gracie, there are not enough words to say how proud of you we are. These past four years have been a crazy time for you. No matter what you had to do, you did it. You have had ups and downs and you faced them all head on and came out on top. You are a good hearted person with dreams that we want to see come true for you. We can't wait to see where your life will take you and what you will do, but we know it will be wonderful. You are our greatest joy and we are so blessed to call you our daughter.

We had a hard time figuring out what to say. Dad wanted to just say, "You're the GOAT!" The problem is you're so much more. The person you have become is incredibly thoughtful and considerate. You are a person who sees things as they are or could be. For that, you will go far and will always have not only the greatest respect, but also unending love from us.

Real Deal

The Real Deal event is part of the eleventh grade county career curriculum. Students are given a ledger containing their monthly pay. With that, they move about to purchase/rent a place to live and furnish it, get a vehicle, insurance, health care, and childcare (for those who have been assigned babies). They might even be tempted to spend money on a family pet. There are a variety of stations including "life's unexpected" where a student might end up in jail.

"One of the favorite stations for students to visit is called "Life's Unexpected". Students roll the dice three times...each time they receive a consequence or reward from a long list of possible options. For example, a student rolls a 23 and when they look at the chart they find that 23 is "drove without a license, pay $500 court fees." -Mrs. Davis, Guidance Counselor

What did you Learn?

"How expensive life is."

"Marry rich."

"Don't have kids!!"

"Don't drop out of school."

"Everything is expensive."

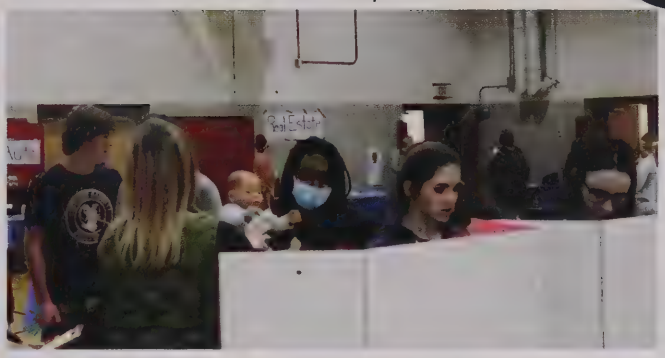

"Life is hard."

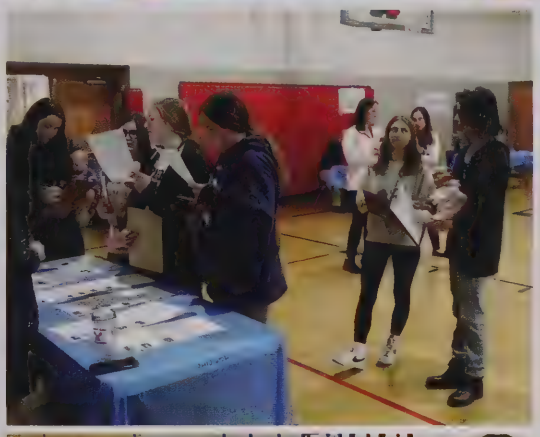

"Life is mad expensive and really difficult."

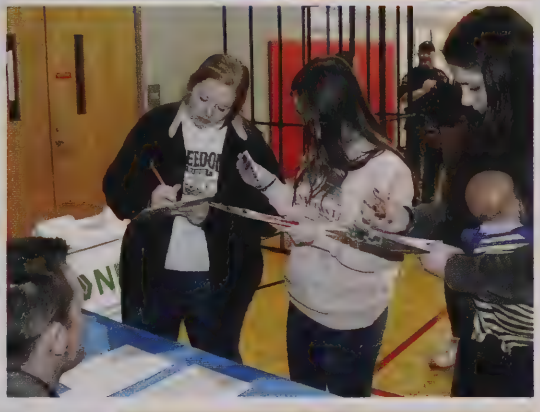

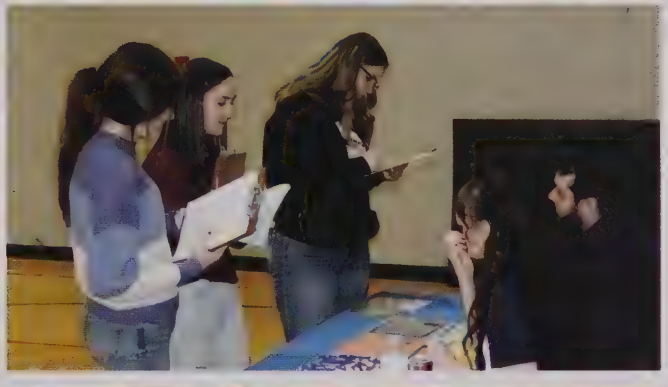

"Save more."

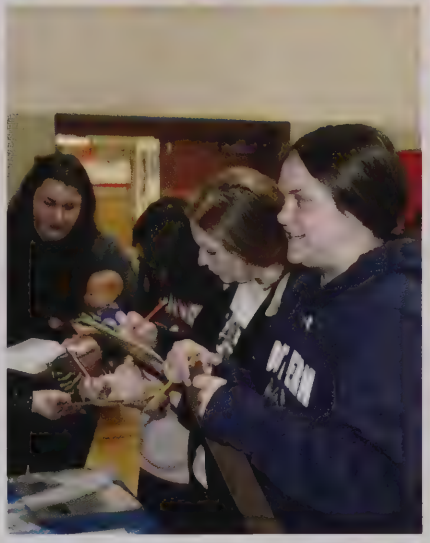

"I wouldn't want to go to jail for assault."

WHAT WOULD YOU DO DIFFERENTLY?

"Look to find the cheapest prices."

"Get a better job."

"I would not get married."

"Go to school and get some degree."

"Nothing; life is unexpected. You can do everything right and everything could still go down hill or get better."

"Not buy anything that I don't need."

"Be single."

School Plays

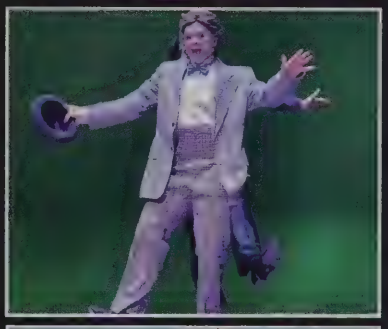

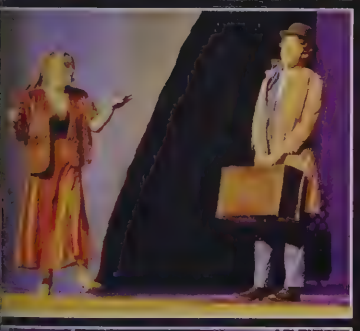

"This year's productions were two shows that I have wanted to do for a long time. Both Young Frankenstein and Spamalot are outrageous comedies. Both are musicals made from films with a huge following. So we had to get it right. The audiences would be expecting an evening of nostalgia revisiting their favorite characters, and we had to deliver. Moments I will always remember include the hay wagon scene with Caroline and Alexia, the swamp castle scene with Jaz and Annabelle, and John stealing both shows as the Hermit and Lancelot. The new Performing Arts Center has allowed us to dream bigger and expect more from ourselves. I am thrilled to see our actors performing in a professional space that they absolutely deserve." -Erin White

End of year activities are a great way to unwind and relax as the end of the school year comes to a close. It is also time to hang out with friends. This year there were two activities students could participate in: the school volleyball game and field day.

Student council members and their advisors, Andi Sessa and Megan Sgaggero, planned an end of year volleyball game for students. Students teamed up and competed against each other. Those who didn't play cheered on their friends from the stands. The teams were: Jim's Volleyball Group, Sassy Spikers, Puppy Dogs, Voleibol, The Ben Nazelrods, Honey Mustard, Aardvarks, and BBQ.

Field day was organized by our school nurse Destiny Tichinel, teachers Amber Hill and Andi Sessa, and financial secretary Kayla Cathell. Activities included face painting, crafts, video games, dunking booth, ring toss to win bottles of soda, corn hole, basketball, volleyball, and four square. Each student enjoyed snow cones, popcorn, bottled water, and a cup with snacks.

Once that last buzzer rings your senior year, it'll be all you have left!"

Our ladies had a fabulous year. From basketball games to the showcase and 1st place in competition. They did an outstanding job. Many of them shifted into new roles, while others used their experience to lead the team. I watched them become like sisters over the winter season and it was truly special. Congratulations on a successful season ladies!! Couch Gina and I love you girls.

STORY OF THE YEAR

WAR IN UKRAINE

More than seven months after Russia invaded Ukraine, just days after Russia annexed parts of eastern and southern Ukraine, a blast attributed to Ukraine destroyed sections of a bridge connecting Russia to Crimea. In retaliation, Moscow missiles assaulted civilians in the heart of Kyiv and almost a dozen other cities, as the war in Ukraine raged on.

The war created shock waves that impacted the U.S. economy with fuel and grain shortages, increasing inflation and decreasing economic growth. U.S. tensions with Russia mounted as the U.S. imposed sanctions on Russia and the Chinese-Russian alliance solidified.

HEADLINES

POLICING POLIO

After polio paralyzed an unvaccinated New York man and the polio virus was discovered in wastewater in three counties, Kathy Hochul, New York governor, declared a state of emergency on September 9, 2022, to urge vaccinations. Once thought to be eliminated from the United States, the virus can cause paralysis and even death. The threat of polio followed a recent outbreak of the mpox virus.

FRIEND OF THE ENVIRONMENT

Patagonia, the outdoor gear company, captured attention in September 2022 when the company's founder and owner Yvon Chouinard, transferred ownership of his family business to a trust and nonprofit dedicated to saving the planet. Chouinard's move will likely bring $100 million a year to combating climate change and preserving the planet.

QUEEN ELIZABETH II

After reigning 70 years as England's longest-serving monarch, Queen Elizabeth II died, leaving her son Prince Charles, age 73, to be king. Elizabeth became queen at age 25 and was crowned at age 27 in 1952. Her reign encompassed the leadership of 15 British prime ministers and decades of change, including England's transition from empire to commonwealth, the Cold War, and Britain joining – then exiting – the European Union.

SERVING THE COURT

On June 29, 2022, Judge Ketanji Brown Jackson, age 51, was sworn in as the first African American woman appointed to the Supreme Court in the 232 years since it was established. Serving as the 116th justice on the court, the Harvard College and Harvard Law School graduate was recognized for her knowledge of criminal law.

RELAXED REGULATIONS

In August 2022, after more than one million COVID-19 related deaths and two years of COVID-19 guidelines set by the Centers for Disease Control and Prevention, many schools and businesses ended contact tracing and stopped requiring unvaccinated people exposed to the virus to quarantine.

TAKEN BY STORM

Hurricane Ian buffeted Fort Myers, Florida on September 28, 2022, with torrential 150-mph winds and rain that destroyed homes and businesses across the state. The rare Category 4 hurricane and its storm surge took more than 100 lives, resulting in an estimated $57 billion in losses.

GEN Z VOTES

Gen Z showed up in the second-highest youth turnout rate for a midterm election in the last 30 years. Exit polls revealed that 27% of Americans ages 18–29 cast a ballot. Two-thirds of young voters voted for Democrats for the House of Representatives, compared to the majority of 45- to 65-year-olds, who voted Republican. 2022 was the first time Gen Z could run for Congress and Maxwell Frost, 25, was the first Gen Zer elected as House Representative.

HEADLINES

QUIET QUITTING

More than two years after COVID-19 brought the world workforce to a halt, a growing number of Americans bristled at spending time at unsatisfying jobs. Dubbed "The Great Resignation," workers quit jobs in unprecedented numbers, with 4.2 million quitting in July 2022 alone. Even professions like teaching saw increased departures. By September, a poll showed that 33% of workers were contemplating leaving their jobs, while 60% were rethinking their careers. Others, especially Gen Zers, joined the TikTok trend, #quietquitting, by refusing to go above and beyond or subscribe to a hustle culture.

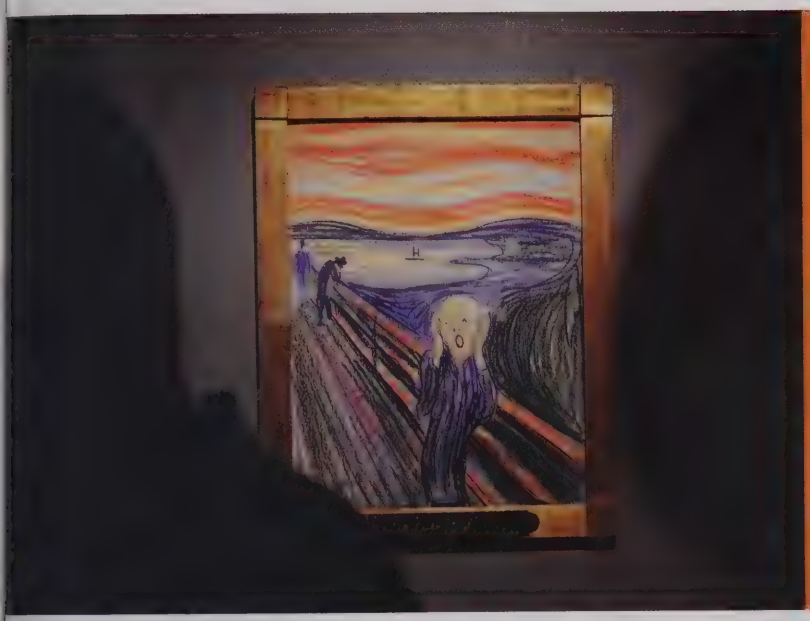

WALK IT OUT

Through a study of more than 6,000 adults, Vanderbilt University discovered that walking at least 8,200 steps a day lowered obesity, depression and sleep apnea. Walking also lowered the risk of developing type 2 diabetes, high blood pressure, dementia and death from cancer and heart disease. A speed of just under three miles per hour increased these benefits, and 11,000 steps a day was linked to reducing obesity.

THE SHOE DROPS

Adidas dissolved its partnership with Kanye West and his sneaker brand, Yeezys, after the superstar, who changed his name to Ye, made repeated anti-Semitic and anti-Black statements publicly in October 2022. Yeezys, which cost between $160 and $300, were renowned for breaking into the Nike Air Jordan–dominated footwear sector, driving it to become a multi-billion dollar industry.

A NEW KIND OF PROTEST

Edvard Munch's famous painting *The Scream* found a new reason to scream in November 2022, when a group of Norwegian climate protesters attempted to glue themselves to the iconic work. The attack became the fifth in a series of filmed staged assaults on museum masterpieces, including throwing soup and mashed potatoes at works by Van Gogh and Picasso in museums in London, Germany, Italy and Australia.

FLY ME TO THE MOON

NASA's Artemis 1 Orion spacecraft returned to Earth on December 11, 2022, having traveled more than 1.4 million miles on a path around the moon. During the record-breaking flight test on December 28, 2022, Orion set a new record of 270,000 miles for the farthest distance from Earth a spacecraft designed to carry humans has ever traveled.

A FIRST FOR FEMALES

The United States Mint released its first five quarters to honor women as part of a four-year American Women Quarters series. The Secretary of the Treasury selected five trailblazers from recommendations submitted by the public through the National Women's History Museum. The first five selected were Maya Angelou, Dr. Sally Ride, Wilma Mankiller, Nina Otero-Warren and Anna Mae Wong. The program aimed to honor notable women from diverse backgrounds on the flip side of quarters and feature a likeness of George Washington different from his image used in previous quarter programs.

SPORTS

SO LONG, NO. 6

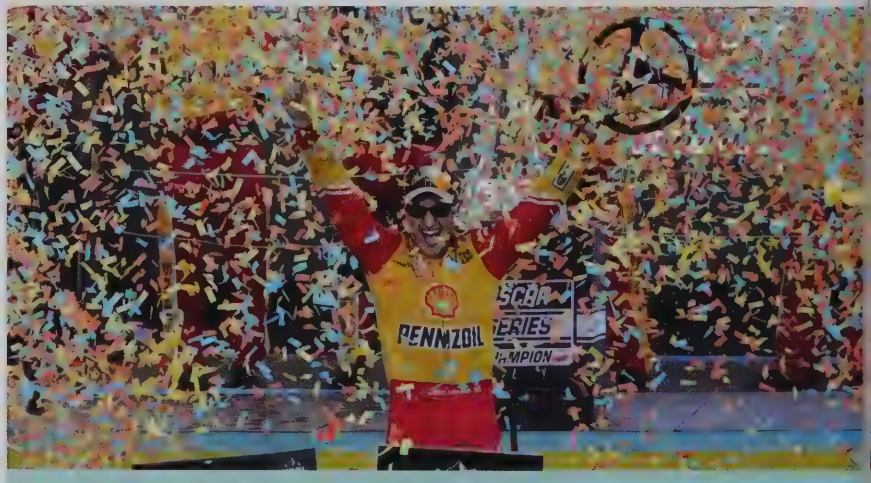

On August 11, 2022, just ten days after Bill Russell's death, the National Basketball Association (NBA) announced the retirement of the No. 6 jersey across the league – just the third player behind Jackie Robinson (baseball) and Wayne Gretzky (hockey) to be honored league wide. Standing 6'10" tall, Bill Russell sported the No. 6 as he drove the Boston Celtics to NBA history starting in 1959, with an unprecedented nine NBA championships as a player and two as the first African American head coach in any major American sports league.

ACES ON THE COURT

The Women's National Basketball Association (WNBA) season wrapped up its championship finals with the Las Vegas Aces winning their first-ever title against the Connecticut Sun. Chelsea Gray was named MVP of the finals, with an average 18.3 points, shooting 58% from the field.

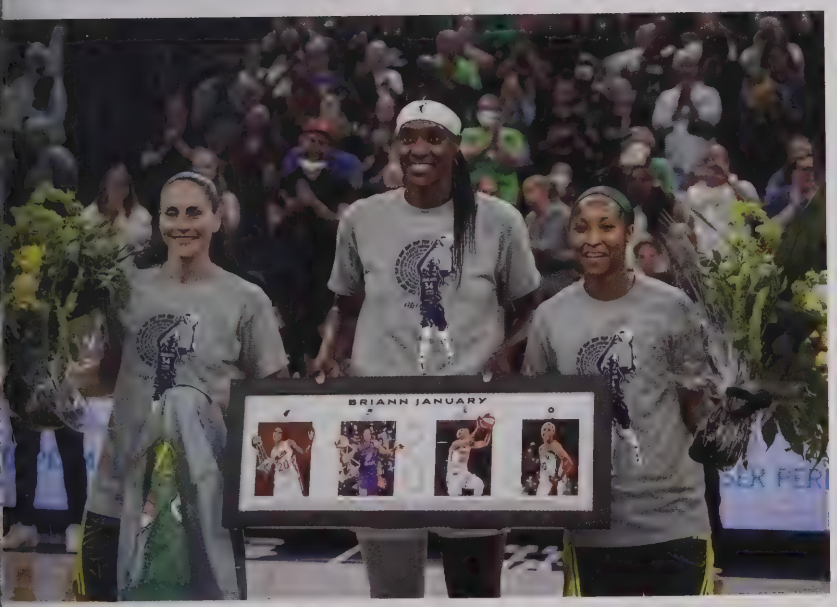

GO SPEED RACER

Seven-time Joey Logano won his second National Association for Stock Car Auto Racing (NASCAR) Cup Series title in a 500-mile race in which he bested the other three championship drivers by only a total of 3 points. Team owner Roger Penske celebrated a lifetime total of 19 championships in NASCAR and IndyCar and NASCAR Cup Series titles in the 2022 race.

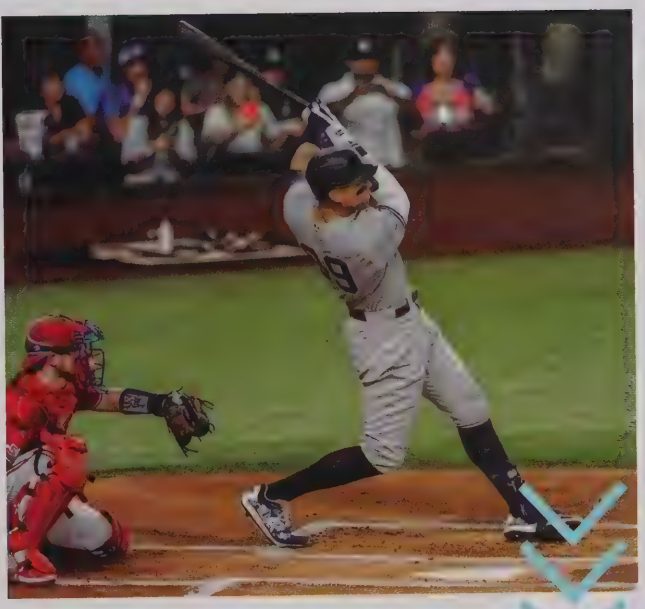

LIV GOES LIVE

The Professional Golfers' Association (PGA), established in 1929, found competition in the form of a controversial new golf league, LIV, headed up by CEO and two-time PGA champ Greg Norman. With a record-breaking $25 million purse at the first event in June, several top names, including Dustin Johnson, Phil Mickelson and Sergio Garcia, teed up in London.

LEGENDS LEAVE

2022 saw the retirement of two legendary women's basketball players. Sylvia Fowles, 36, played for 15 seasons, won four Olympic gold medals and earned two Women's National Basketball Association (WNBA) titles with the Minnesota Lynx. Sue Bird, 41, played for 20 seasons in 500 career games with the Seattle Storm, won four championships in three different decades, appeared in a record 12 All-Star games and earned five Olympic gold medals.

JUDGE MAKES RECORD

New York Yankees outfielder Aaron Judge made history on October 4 with his 62nd home run of the season against the Texas Rangers. The new American League record, previously held by Roger Maris for 61 years, was only exceeded by Barry Bonds, Mark McGwire and Sammy Sosa.

SPORTS

GOOD TO HAVE GOALS

Tuesday in Qatar during the World Cup began like any other day in 2022, as the United States Men's National Soccer Team qualified for its first World Cup appearance in more than eight years. In the Quarterfinal finals, France's 23-year-old phenom Kylian Mbappé scored three goals to come back and tie Argentina, forcing the match into overtime and ultimately penalty kicks. Argentina won 4–2. Lionel Messi scored twice to tie Raul Gonzalez's career record of 71 Champions League goals.

SERENA MOVES ON

Serena Williams announced her retirement from tennis in a *Vogue* magazine cover story. Williams won 23 Grand Slam singles titles and was ranked the No. 1 player in the world for 319 weeks during her 23-year career. At 40, Williams turned her full attention to her family and other career ventures.

DAMAR HAMLIN

Buffalo Bills safety Damar Hamlin suffered a cardiac arrest following a routine tackle in a game against the Cincinnati Bengals. Hamlin's heartbeat was restored on the field before he was transferred to a hospital and discharged nine days later. This was the first game in NFL history to be suspended due to an injury.

PICKLEBALL: Y'ALL

The fastest-growing leisure sport in America, pickleball proudly boasted 4.8 million players, called "picklers," who took to the courts in 2022 with plastic Wiffle-style balls and paddles to play singles or doubles. The sport found favor first among older Americans but recently skyrocketed in popularity among the under-24 crowd. Played standing or in a wheelchair, pickleball is highly accessible, with more than 38,000 venues and an app (Pickleball+) to locate indoor and outdoor courts.

MATCH POINT

SWING KINGS

The Houston Astros celebrated wildly when they beat the Philadelphia Phillies and clinched their second World Series title since 2017. The Phillies were up two games to one in the series, but the Astros surged ahead with three straight wins and took game six – and the title – with a four-to-one victory on their home field.

GOOOOAAAALLS!

The two top-seeded Major League Soccer (MLS) clubs went toe to toe in the MLS championship game on November 5, and two late goals scored in the final minutes of extra time resulted in a penalty-kick showdown. The Los Angeles Football club (LAFC) beat the Philadelphia Union after a 3–3 draw. Adding to the drama, goalkeeper John McCarthy, playing against his former team, shut out the Union in a 3–0 penalty kick shootout.

ENTERTAINMENT

FLUTE AND FLOURISH

In October 2022, hip hop artist and classically trained flutist Lizzo accepted a Library of Congress invitation to perform at her Washington, D.C. concert with a 200-year-old crystal flute. The rare instrument belonged to James Madison, the fourth President of the United States, had survived a devastating fire and had never been played.

FAN FLURRY

A September 2022 sneak peek of Disney's live-action adaptation of *The Little Mermaid*, originally a 1989 animated movie, brought a flurry of reactions about Halle Bailey starring as Ariel, the lead character. The trailer was viewed more than 100 million times in the first week, as Bailey, an African American actress and R&B singer, inspired the social media hashtag #representationmatters.

FIND YOUR VOICE

After 12 years and 22 seasons of *The Voice*, original judge Blake Shelton announced that season 23 would be his last. John Legend announced that he would be taking the season off to focus on family, his new album and touring. With Gwen Stefani and Camila Cabello stepping aside, Kelly Clarkson would be returning with new judges Niall Horan and Chance the Rapper, alongside Shelton for his final season in 2023.

BLACK PANTHER FOREVER

Letitia Wright filled big shoes as the new superhero to the sequel of the 2018 smash Marvel film starring Chadwick Boseman as T'Challa, the King of Wakanda. The *Black Panther: Wakanda Forever* storyline follows T'Challa's little sister, Shuri, played by Wright, as she matures into the hero doing battle with the ancient ruler and villain Namor, played by Tenoch Huerta. *Black Panther: Wakanda Forever* reeled in a record-breaking $180 million on its opening weekend in November 2022.

KPOP? OKAY!

With the success of bands like BTS and TWICE, it was only a matter of time before K-Pop made Broadway. The South Korean cultural phenomenon hit the stage in *KPOP*, a musical featuring a girl band, RTMIS, and a boy band, F8. The documentary-style story with flashbacks showed the sacrifices performers make to achieve stardom.

NOT-SO-SWIFT SALES

Taylor Swift's 10th album, *Midnights*, debuted to record-breaking sales. Swift continued to be the top American Music Awards winner, adding six awards to bring her total to 40, but it was "The Eras Tour" ticket sales that rocked headlines. In November 2022, Ticketmaster opened up sales with presale codes and a waitlist for Swifties not lucky enough to score a code, but the system crashed with 3.5 billion requests, and public ticket sales were canceled.

TECH & TRENDS

ENCHANTED BY *ENCANTO*

Disney released *Encanto* in 2021, but echoes of the movie featuring the Madrigals, a Colombian family, swelled in 2022. "We Don't Talk About Bruno" spent three months on Billboard's Hot 100 list and officially became the biggest Disney song of all time. The animated movie was celebrated for representing Latin family and community values authentically and positively.

TWEET DEAL

Elon Musk, chief executive officer of SpaceX and Tesla, became the new owner of Twitter in October, almost six months after he first offered $44 billion to take control of the social media site. After firing Twitter's chief executive and chief financial officer and hundreds of employees, Musk made the company private and loosened the platform's content moderation in pursuit of publishing "widely diverse viewpoints."

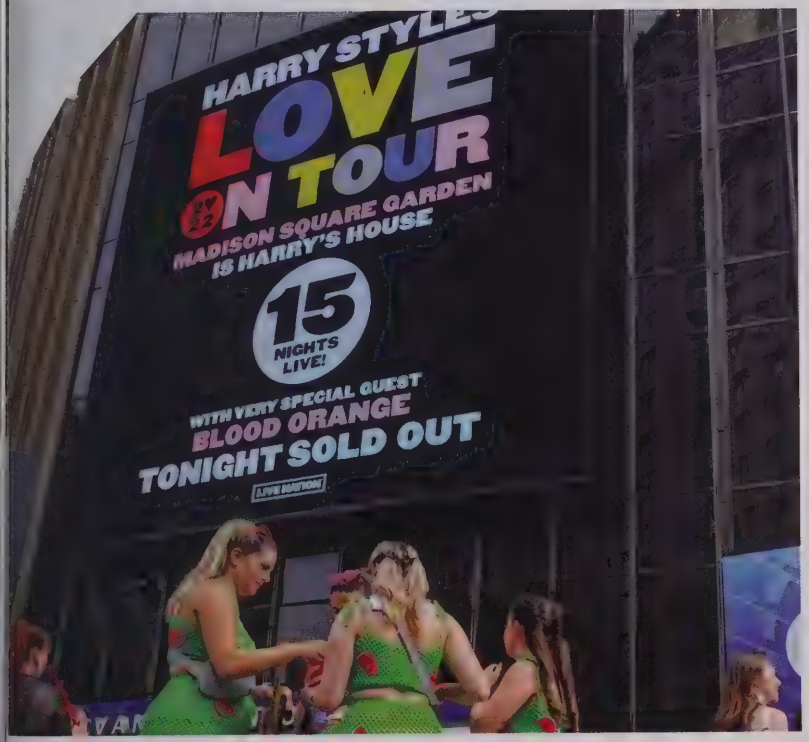

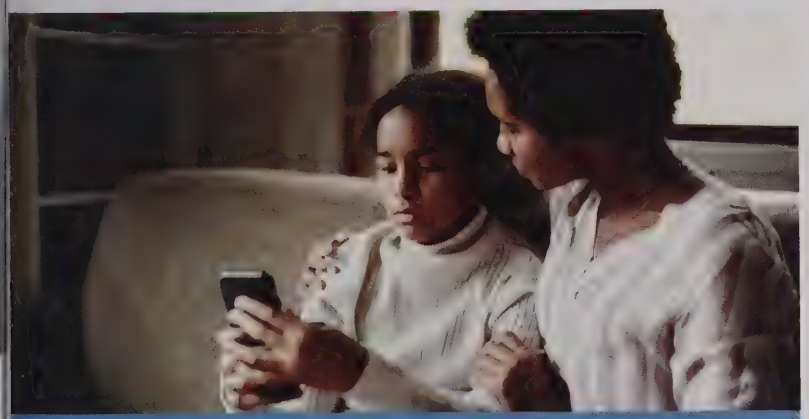

IT'S A WRAP(AROUND)

Wraparound sunglasses, the formerly mocked eyewear, made a resurgence after Kim Kardashian posted photos of herself in the curved lenses on her Instagram. The Balenciaga Swift Oval shades that Kardashian wore to the Vanity Fair Oscars after-party cost $490, but look-alikes were available online for less than $13.

HARRY'S HOUSE

Harry's House was the title of Harry Styles' album, released in May 2022, but it also became the nickname for Madison Square Garden after the singer performed 15 shows for his "Love On Tour" residency in New York City. The tour went global as his single "As It Was" reached number one on Billboard charts. Fans of Styles, known as Stylers, paid between $110 and $384 for tickets to see the former One Direction singer perform live.

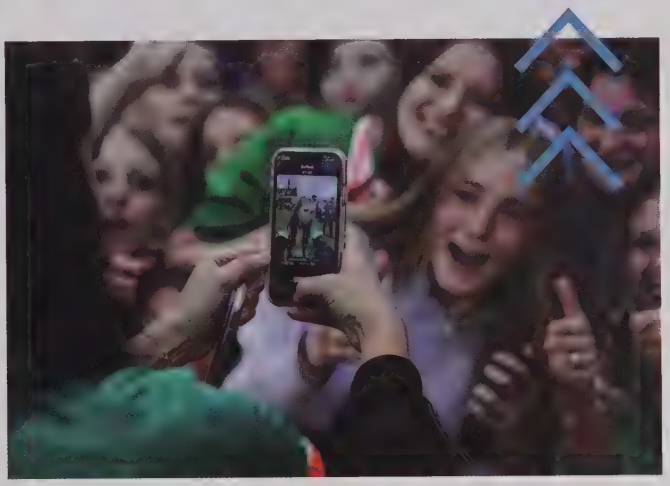

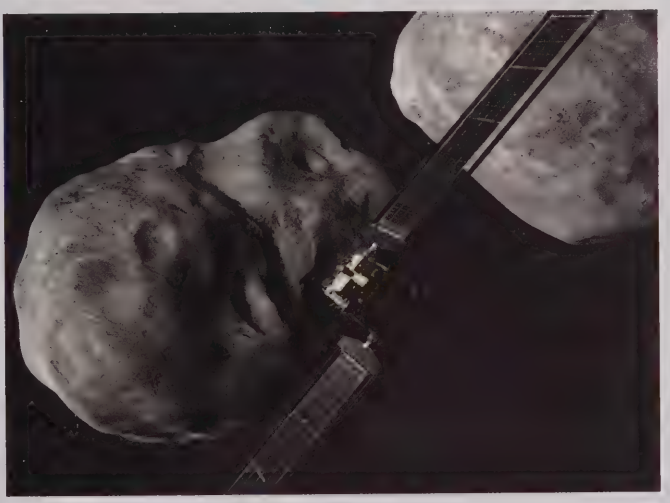

988 FOR LIFE

A blitz of posters, stickers and social media morphed 988 into a lifeline for more than 152,000 callers in August 2022, just a few weeks after the number was activated. The emergency mental health support line, which also offered support via texting, averaged 45-second response times, almost two minutes faster than the previous number, 1-800-273-8255.

TIME TO BeREAL

The trendiest app of the year set out to counter social media norms of edited, perfect posts and social comparisons. BeReal challenged users to snap a real-time photo (using front and back-facing cameras) and post it unedited when prompted by a random daily push notification. Users had two minutes to post whatever they were doing in real time. If they missed the time, their post was marked "late" to keep the post honest.

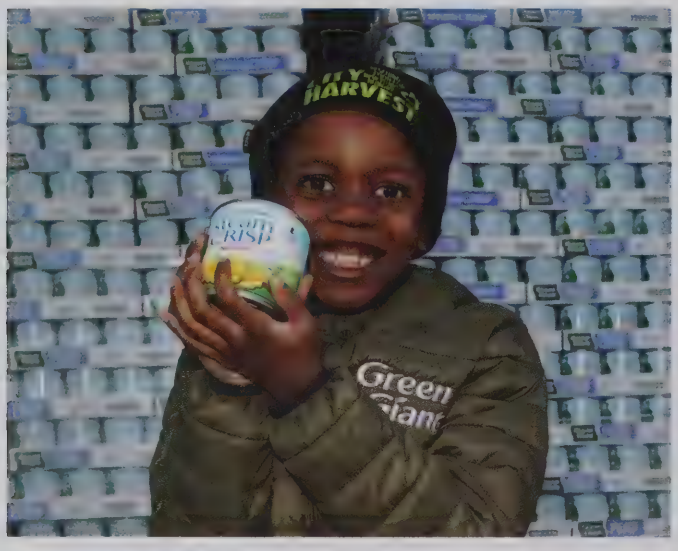

CRASH TEST

It was a real-life climactic scene straight out of an apocalyptic movie. On September 26, 2022, NASA purposely crashed a spacecraft into an asteroid to change its trajectory and test a defense against potential cosmic collisions with Earth. They planned to consult photos from the Hubble and Webb Telescopes to chart the trajectory over time.

TECH & TRENDS

CORNTASTIC

A 7-year-old New York City child went viral on TikTok and Instagram in late August 2022 when asked his thoughts about corn. "It's corn!" Tariq exclaimed. "I can't imagine a more beautiful thing!" His wholesome words blossomed into the anthem of the summer when they were autotuned into a catchy song on YouTube. The fall saw Tariq partnering with Green Giant to donate 90,000 cans of vegetables, as well as appearing in a Chipotle ad.

A big thank you to Preston Sharps, Senior Investment Executive of First United Investments, who has generously sponsored the Stock Market Game for students for over 29 years!
